IDAHO DRUG FREE YOUTH SPEAK OUT

Hello fellow IDFY members!

AJ Sheffield, 18
 Coeur d'Alene High School

"Our message was exactly that--to show the community that 'We Feel Good.'"

This is Mr. AJ Sheffield with an important news bulletin. The Coeur d'Alene High School chapter is off to a smashing start this year. Many of us, here in the frozen tundra that is North Idaho, have worked hard to show our community what IDFY is all about.

Just recently, our chapter teamed up with the chapters from Lake City High School and I-DEA to put together a float for the annual "Day after Thanksgiving Parade." Creating this float was a lot of work, but thanks to everyone involved, we created something that we felt good about. Our message was exactly that--to show the community that "We Feel Good."

We could not have pulled this together without all the strong leaders from the chapters and this organization. Members gave it their all and brought energy to this parade with loud music, chanting, and dancing. Thanks to hard work and a team effort, the float this year was a huge success and a blast.

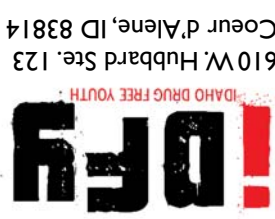

In my opinion, events like this are what makes IDFY a great club to be involved with. Knowing that everyone involved with events like this have the courage to stand up against drugs and alcohol brings a sense of freedom. No one is held back by the harmful effects of drugs or alcohol, and the environment is extremely positive.

I am proud to be a part of IDFY because being involved has taught me to not give in to what society expects from me. I am able to rise above peer pressure and be the crazy, fun person I have always been meant to be. IDFY helps me be hip and fresh, but greatest of all...drug free!!!
